EVERY COCKTAIL HAS IT'S TALE,

THE DISTILLED BLUEBERRY AVIATION - 11

**Blueberry Infused Gunpowder Gin,
Sugarcane Syrup, Chambord, Lemon Juice**

Inspired by The Shed Distillery's Gunpowder Gin, our much loved and sought-after house Gin. We created this cocktail to mark the opening of The Shed Distillery, Drumshanbo.

The variety of flavours in the Gin itself meant the pairings were endless, but in the end, we created a take on the classic aviation cocktail. Yet, totally different in taste. It is sweet, citrusy, boozy, and really refreshing. One we are very proud of...

SHANNON BLUES - 11

**Spiced Rum, Coconut Rum,
Pineapple and Lime Juice, Blue Curacao**

Sitting out on the terrace to see where we could get inspiration from,
The River Shannon glaring back at us, blue is the colour...

This is the ultimate pre-dinner drink.

A drink that everyone can enjoy,
relaxation in a glass and a taste that lasts...

BRIGHT EYED, BUSHY TAILED - 12.5

**Drumshanbo Whiskey, Maraschino Liqueur and Cherry,
Sugarcane Syrup, Cherry Bitters, Lemon Juice**

Aptly named after the Bush Hotel, providing warm hospitality in the heart of the town. A piece of history has inspired this cocktail, from there it inspired us to look at some classic cocktail recipes and combine our favourite ingredients from two timeless classics the Old Fashioned and a Manhattan.

We have combined the mixture and instead of it tasting purely of liquor (which is 95% of it), it has a sweetness from the Luxardo Maraschino, and balanced with Citrus, Cherry bitters and of course some local Drumshanbo Whiskey.

THE BANK ESPRESSO MARTINI - 11

**Sausage Tree Vodka, Kahlua, Sugarcane Syrup,
Warbler and Wren Espresso**

A cocktail aptly named after the former glory of this landmark building which was an old National Irish Bank.

Many of our guests have fond memories of when they worked here as an employee of the old National Irish Bank or when they visited the property to do their banking. So, this is a little homage to the history of the building. This recipe that has been very well sampled by the people of town and surrounding areas and is now a firm favourite with many of our diners...
A coffee with a kick for sure!!!

RESTAURANT

MARKET DAY - 11

Hennessey V.S, Cointreau, Simple Syrup,
Orange and Lime Juice

This cocktail was inspired by the neighbouring Market Yard. A meeting point for locals and visitors alike... Every Thursday morning the yard comes alive. The hustle and bustle of the local small business traders with fresh, locally produced fruits, vegetables, meats, and fish! We couldn't dream of a better place to source our fresh ingredients for our restaurant. A delicious drink that will certainly put a pep in your step...

THE RED BANK RESTAURANT

IRELAND'S HIDDEN GIMLET - 11

**Hendricks Gin, St. Germain,
Green Tea, Lime Juice**

Naturally we spend a lot of time outdoors - walking around our neighbourhood and beyond. Discovering the absolute beauty that Leitrim is. It inspired us to create a version of one of our all-time favourite classic cocktails.

One we did not know we needed in our life... but now we do!!!

We started to experiment tasting Green Tea with different foods and flavours. We finally sampled the Green Tea alongside some Elderflower and from there it started to make sense. We then paired Green Tea with Hendricks' Gin, Elderflower Liquor and Lime Juice - It's our Hidden Heartland...

THE RED BANK

RESTAURANT

FIZZ BERRY ART - 11

**Sausage Tree Vodka, Lime Juice,
Lychee, Raspberry and Simple Syrup**

A cocktail to portray the elegance and the pure magic that The Dock brings to the town. Not only the picturesque stone building but the sheer creativity the building stands for within the county.

It is a simple, but beautifully built cocktail with Sausage Tree Vodka, Raspberry and Lychee perfectly balanced with a hint of fresh lime, delicious before or after a meal.

W.B. FALLS - 11

Gunpowder Gin, Watermelon, Lime Juice Simple Syrup and Soda Water

The famous waterfall W.B Yeats visited often. Located right at the top of Leitrim, Glencar Waterfall is a beautiful staple to the West Coast of Ireland's fantastic scenery.

When creating this cocktail, our inspiration was the waterfall, and muddled watermelon is a play on the method of making this wonderfully refreshing beverage. We love adding savoury flavours and herbs to our drinks to bring a little more depth and excitement.
